

CV of Prof. Dr. M. Raza Shah, ICCBS-H.E.J.R.I.C. University of Karachi

- Area of research Nanotechnology, supramolecular chemistry and clinical trials
- Published more than **220** research articles in international journals with cumulative impact factor more than **440**.
- Received Civil award *Tamgha-i-Imtiaz* from President Islamic Republic of Pakistan
- Sandwich Ph.D.Max-Planck Research Institute for Polymer Germany/ H.E.J-Pakistan
- 1st Postdoc at Geneva University Switzerland
- 2nd Postdoc Max-Planck Research Institute for Polymer Germany
- Received Atta ur Rahman Gold Medal from Pakistan Academy of Sciences 2006.
- Received Salam Prize in Chemistry for Young Chemist in 2006 from ICTP
- Selected TWAS (Third World Academy of Sciences) Young Affiliate 2010.
- Won Dr. Raziuddin Gold Medal from Pakistan Academy of Sciences 2015
- National Representative in IUPAC Polymer Division since 2007-2012
- Supervised 11. Ph. D.
- Fellow International Union of Pure and Applied Chemistry
- Editor Journal of the Chemical Society of Pakistan
- Mentor Pakistani Team in International Chemistry Olympiads since 2008 to date.
- Fellow the Chemical Society of Pakistan
- Deputy Coordinator National Chemistry Talent Contest, (HEC) since 2007 till to date.
- Secretary General The Chemical Society of Pakistan
- Various Research Projects Sponsored by Four International Funding Agencies such as OPCW (Organization for the Prohibition of Chemical Weapons **Netherlands**), COMSTEC-ISECO (**Saudi Arabia**), International Foundation for Science (**Sweden**), Third World Academy of Sciences (**Italy**), DTRA (**USA**) and European Commission National Funding Agencies like HEC and PSF
